Nurse

MONARCH CARE partners with the Parker County Hospital District and Dr. Steven Welch, offering flu, strep, RSV, and Covid 19 testing for students who experience symptoms while on campus. Students can be seen by a doctor or a nurse practitioner and never have to leave school! **There is no cost to the student at the time of the visit.** Insurance will be filed if available.

Effective immediately, PISD will only offer Monarch Care to students who develop symptoms after arriving at school. Due to volume and time constraints, we can no longer offer drive-up service. Students who are exhibiting symptoms prior to arrival should remain home while symptomatic and seek care from their primary physician, if necessary.
