## **Child Find**

Child Find is a federal mandate under the Individuals with Disabilities Education Act (IDEA). It requires local education agencies (LEAs), which include public school districts and charter schools, to identify, locate, and evaluate all children with disabilities residing within their jurisdictions who need special education and related services. (34 CFR §300.111—[Child Find](#))

The LEA is obligated to conduct a Full Individual Evaluation under 34 CFR §300.301 (a) and to make a Free Appropriate Public Education (FAPE) available to each eligible child under 34 CFR §300.101.

Every child with a disability in Texas, from age three through twenty-one as of September 1 of the current school year, has the right to a free appropriate public education. Students with visual or auditory impairments have the right to a free appropriate public education from birth. The ISD provides free appropriate programs for students with disabilities. If you know a child that needs help, contact your school or Parker County Co-op Special Services.
