# Parent Guide to ASCENDER ParentPortal

## What would you like to do?

### Access ParentPortal

- I. [Create an ASCENDER ParentPortal account and log on.](#)

### ASCENDER ParentPortal > Login

Before enrolling a student, create a user account in ASCENDER ParentPortal in order to obtain a user name and password to access the system. When you access ParentPortal, the Login page is displayed.

- Click **Create Account**.

The screenshot displays the ASCENDER PARENTPORTAL interface. At the top left is the logo with the text "ASCENDER PARENTPORTAL". At the top right, there is a language selector set to "English" and a help icon. The main header features a large image of a tree with the ASCENDER logo overlaid. Below the header is a "Login" section with input fields for username and password, and buttons for "Login" and "Create Account". A link for "Recover User Name/Reset Password" is also present. A "District Message" section follows, containing a welcome message and instructions regarding the online registration process for returning students. The bottom section is divided into three columns: "New Student Enrollment" with instructions and a "Create Account" button; "ISD Documents" with a list of document types and a "View/Download Documents" button; and "ASCENDER Accessibility Statement" with a paragraph of text.

The Create Account - User Information page opens.

<b>Select Question</b>	Select a question, or write your own question in the space. If you need to reset your password, you will be asked this question.
<b>Answer</b>	Write the answer to the question.  You will need to answer this question correctly to recover your password. Be sure to select a question for which you will remember the answer easily.  <b>IMPORTANT:</b> The answer is case-sensitive (always write it exactly as it appears here, including upper and lower case letters).

Click **Next**.

Click **Finish**.

- The [My Account](#) page opens where you can add a student to your account and update your security and contact information.
- If you entered an email address or mobile number, you will receive a notification message containing a verification link.

**NOTE:** If you are not listed as a contact or as a guardian (i.e., student, step-parent, etc.), you will be a read-only user with limited access.

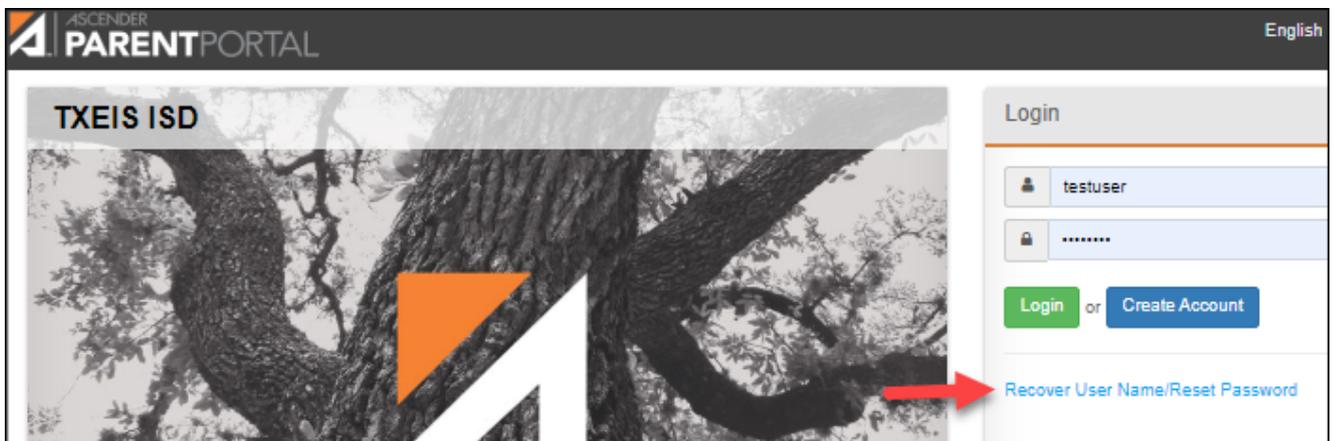

II. [Retrieve your user name, or update your password.](#)

If you have forgotten your user name, you can look it up, but you cannot change it.

If you have forgotten your password, you can reset it. You can also change your password at any time.

From the Login page, click the link below the login fields to go to the [Retrieve User Name/Reset Password](#) page.

**MOBILE DEVICE USERS:** On a mobile device, tap **Login** to access this link.

Click **Reset Password**.

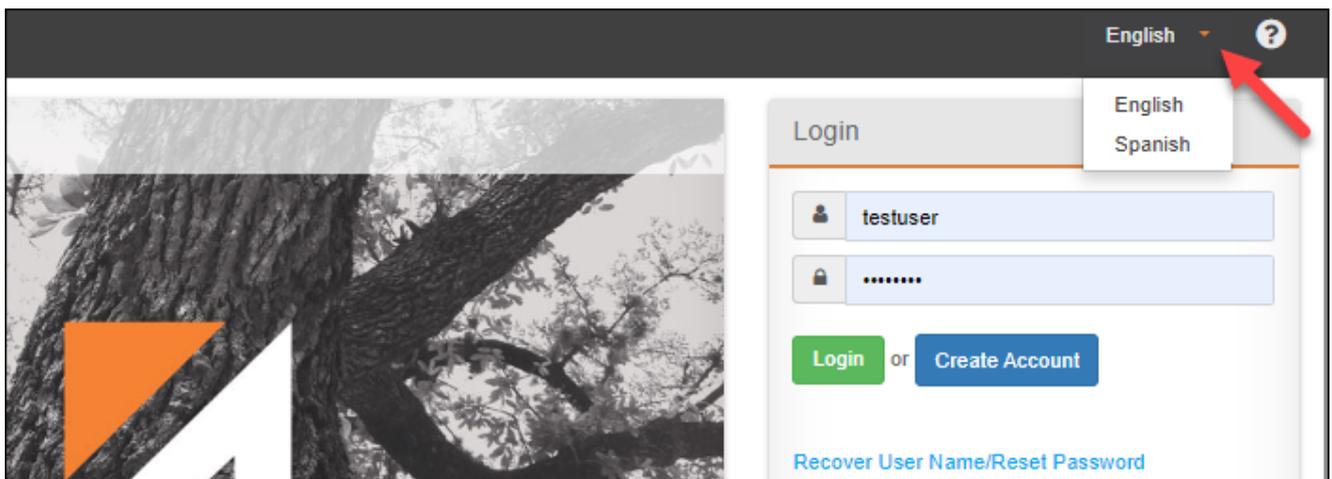

A message is displayed indicating that instructions for resetting your password were sent to the email address entered.

Click **Close** to close the message.

Return to ParentPortal, and log on using your user name and password.

### III. Change the language.

By default, ASCENDER ParentPortal is displayed in English. To access ParentPortal in Spanish, select *Spanish* from the drop-down field in the top-right corner of the Login page.

Your language selection will be retained for the current session.

Some content will only be displayed in Spanish if the district has provided Spanish content; otherwise, English content is displayed.

**MOBILE DEVICE USERS:** On a mobile device, tap the menu in the top-right corner to access the language field.

#### IV. Access public documents.

The screenshot shows the ASCENDER PARENTPORTAL interface. At the top left is the logo and 'English' language selector. The main header area features a large image of a tree with the ASCENDER logo overlaid. To the right is a 'Login' section with a username field containing 'testuser', a password field with dots, and buttons for 'Login' and 'Create Account'. Below the login form is a link for 'Recover User Name/Reset Password'. A 'District Message' section contains the text 'Welcome to your district parent portal.' Below this are three columns: 'New Student Enrollment' with a 'Create Account' button, 'TXEIS ISD Documents' with a 'View/Download Documents' button (indicated by a red arrow), and 'ASCENDER Accessibility Statement'.

From the Login page under **District Name Documents**, click **View/Download Documents** to go to the [Public Documents](#) page where you can access documents provided by the district or campus that do not require a login, such as a calendar or sports schedule.

#### V. Navigate ParentPortal.

Navigation tools are located along the left side of the page, or in the top-right corner. Some tools function differently on mobile devices.

**MOBILE DEVICE USERS:** On a mobile device, tap  to access the side menu.

## Selected Student

The currently selected student's name and photo are displayed in the top-left corner. The photo is only displayed if provided by the district.

If you have multiple students added to your ParentPortal account, click  next to **My Students** to select a another student.

## Add a Student

Click **Add Student** to add a student to your ParentPortal account. A pop-up window opens.

## Campus

The campus attended by the selected student is displayed. If the student attends multiple campuses, you can select the campus.

## Navigation

You can access your student's data. Data is only available if enabled by the district.

**Summary** - Your student's schedule, current average for each class, and today's attendance are displayed.

**Attendance** - You can view your student's detailed attendance, as well as a calendar view and totals.

**Grades** - You can view your student's semester, cycle, and assignment grades. Click  to expand the grades menu.

**Assessments** - You can view your student's scores on standardized tests, such as the STAAR test.

**Discipline** - You can view your student's discipline incidents.

**Immunizations** - You can view your student's immunizations on file at the campus, as well as a list of immunizations due.

**Alerts** - You can view alert messages and set up customized alerts.

**Links** - Your district or campus may provide helpful links.

## Other Tools

- Click to hide the left-side navigation bar. Click again to display the navigation bar.

- Various sections throughout ParentPortal can be collapsed or expanded. Most data is expanded by default. Click  to hide the section from view. Click  to show the section.

- Various pages throughout ParentPortal can be printed. Using the print icon instead of the browser's print option will ensure the best formatting of the content. Click  to print the content displayed.

## Top-right

- Click to view alerts for your student. The number of unread alerts (if any) is displayed in a red circle next to the icon.

- Click to view ASCENDER ParentPortal online Help.

- Click to change the language or log out of ASCENDER ParentPortal.

## Bottom-left

- Click to open the My Account page.

- Click to log out of ASCENDER ParentPortal.

## Update Your ParentPortal Account

I. [Access the My Account page.](#)

## ASCENDER ParentPortal > My Account

From most pages in ParentPortal, you can access the My Account page from the menu in the top-right corner.

II. Update your parent contact information.

## ASCENDER ParentPortal > My Account > Contact Information

### Contact Information

Update and verify email address and mobile phone information.

A screenshot of the 'Contact Information' form. The form has a title 'Contact Information' at the top left. Below the title, there are two input fields: 'Email Address:' and 'Mobile Number:'. To the right of the 'Email Address' field is a red button labeled 'Remove Email'. To the right of the 'Mobile Number' field is a grey button labeled 'Verify Mobile'. There is a green arrow icon in the top right corner of the form area.

### Email

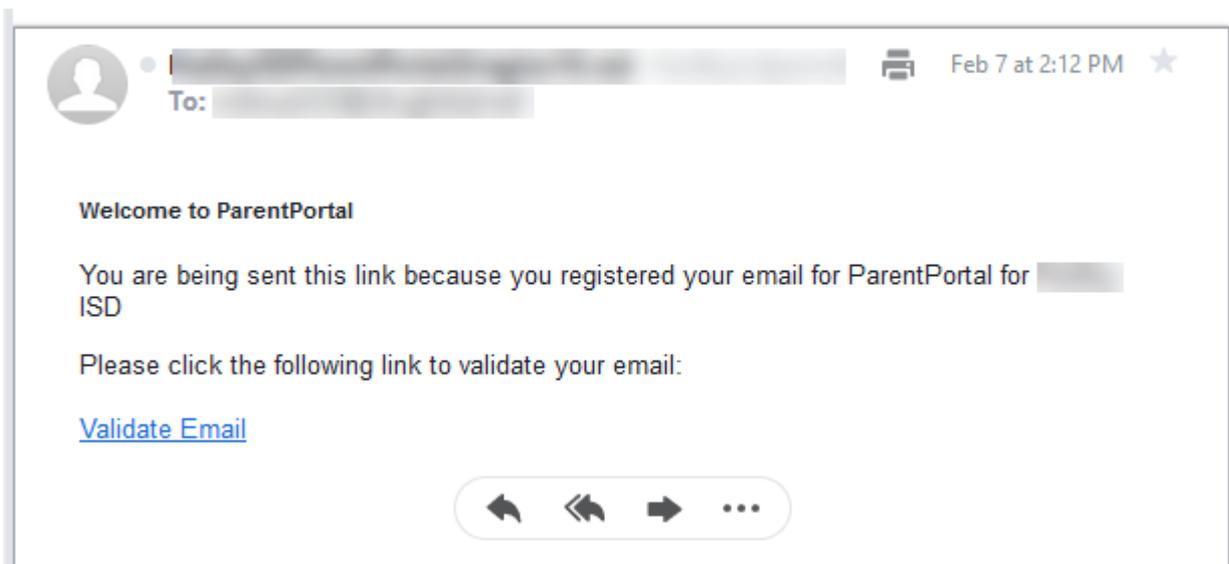

You must provide and verify your email address before you can access features that require your email address. You can update your email address at any time.

<p><b>Current Email Address</b></p>	<p>This field is displayed if your email address has previously been entered.</p> <ul style="list-style-type: none"> <li>• The message “Verified” is displayed if the email address has been verified.</li> <li>• The message “Unverified” is displayed if the email address has not been verified.</li> </ul> <p>If no email address has been entered, type your current email address.</p> <p>Your email address must be entered in a valid format (e.g., name@domain.com).</p> <p>You cannot enter an email address that is already in use.</p>
<p><b>New Email Address</b></p>	<p>If you have not verified your email address, type the address and click <b>Update Email</b>.</p> <p>A message is sent to your email inbox allowing you to verify your address. Until you verify your address, the message “Unverified” is displayed.</p> <p>Click <b>Remove Email</b> to clear the email address and prevent verification. If necessary, click <b>Re-send</b> to resend the message.</p>
<p><b>Confirm Email Address</b></p>	<p>Retype the email address to confirm that you typed it as intended.</p>

Click **Verify Email Address**.

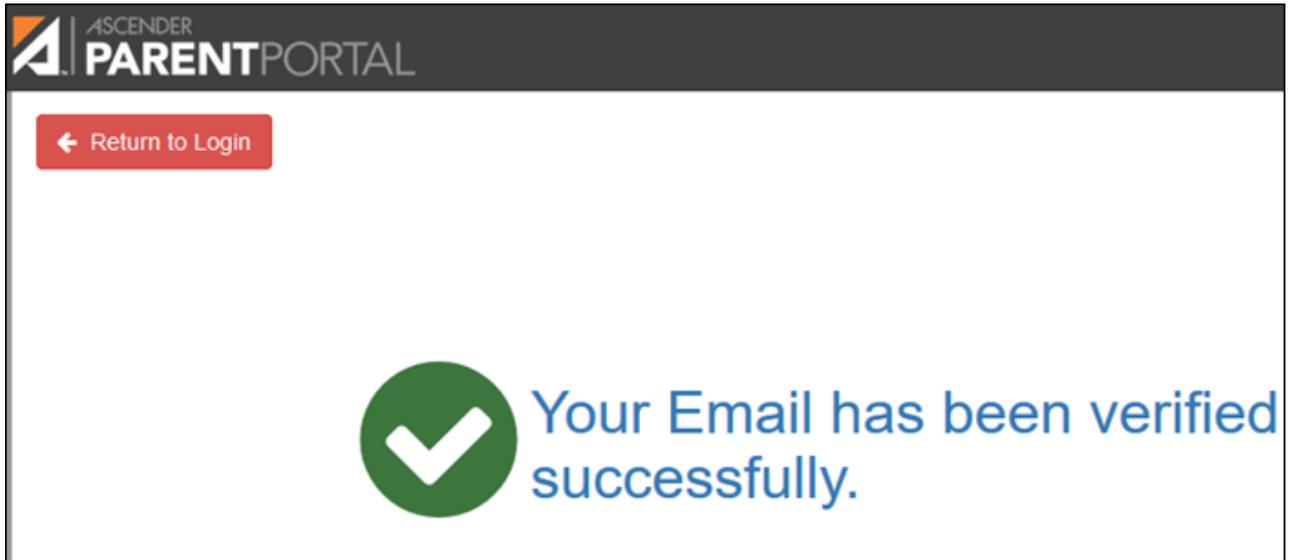

You will receive an email message at that address containing a verification link.

If you entered an email address when you registered for this parent portal account, you should have received an email message in your inbox with a code allowing you to verify your email address.

Click **Validate email**.

A message is displayed indicating that your email was successfully verified.

Once you have verified your email address, you can click **Remove Email** at any time to remove and/or change the email address registered, or to remove the email address.

- If you click **Remove Email**, the current email address is removed.
- The email address field is displayed allowing you to verify another email address.

If you remove or change your email address, your alert notification options will be reset. To reset your alerts, go to Alerts > Subscribe to Alerts and set the **Alert Notification Type** field according to your preferences. The option to receive alerts by email will not be available unless you have an email address successfully verified.

## Mobile

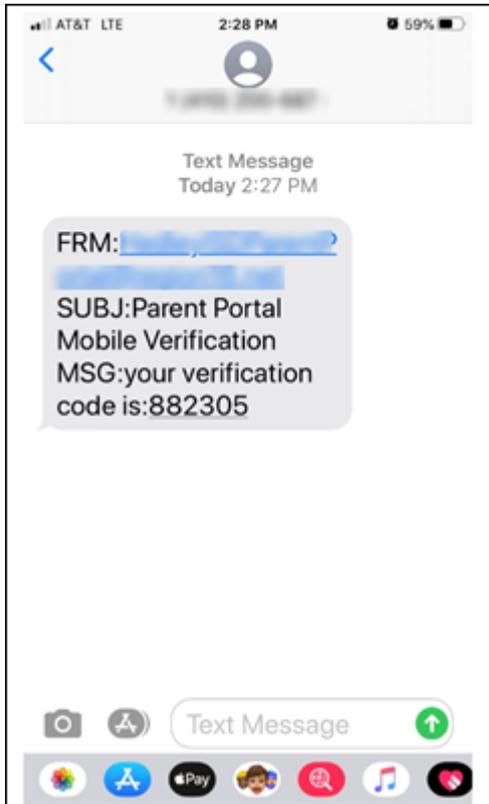

Registering your mobile phone number enables you to receive alert notifications as text messages.

**IMPORTANT:** If you change cell phone carriers, you may stop receiving alert messages, and you may need to re-register the number.

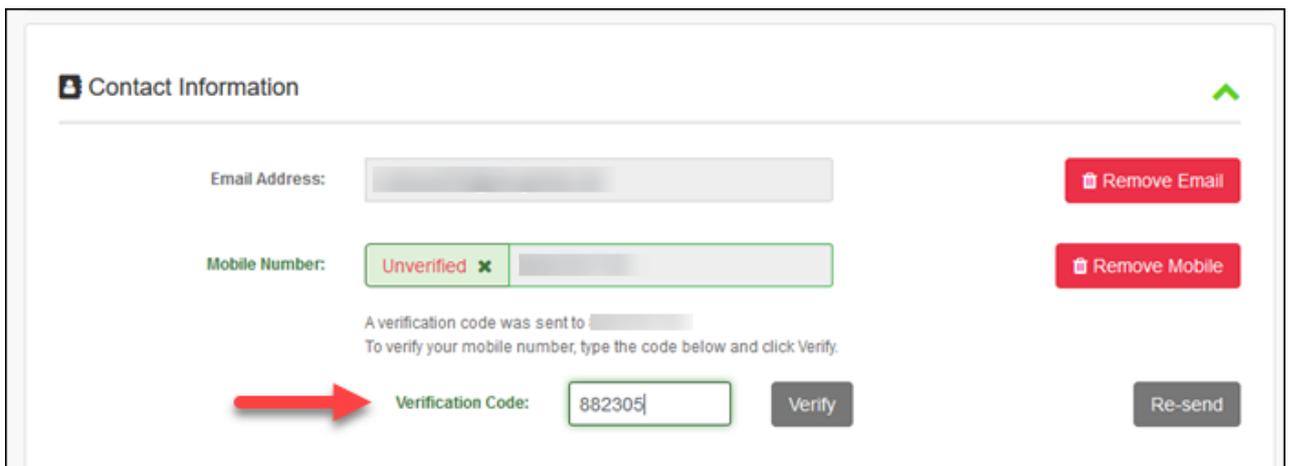

<b>Mobile Number</b>	Type the cell phone number to be registered in the AAANNNNNNN format, where AAA is the area code, and NNNNNNN is the number. <b>Do not use hyphens.</b>
----------------------	---

Click **Verify Mobile.**

You will receive a text message at the number entered which will contain a verification code.

The **Verification Code** field will appear.

<b>Verification Code</b>	Type the verification code that was sent in the text message.
--------------------------	---

Click **Verify Code.**

- If the code was entered accurately, a message is displayed indicating that you have successfully signed up to receive text messages.
- If the verification code is unsuccessful, click **Re-send** to send a new code.

## Change or remove your mobile number

Once you have verified your mobile number, you can click **Remove Mobile** at any time to remove and/or change the cell phone number registered.

- If you click **Remove Mobile**, the current number is removed.
- The mobile number fields are displayed allowing you to verify another number.

### Security Questions & Answers

**Security questions and answers are used to verify your identity if you have forgotten**

**your password. You can change the question, the answer, or both at any time.**

The screenshot shows a 'Security Information' form. It has three input fields: 'Password' (masked with dots), 'Security Question' (containing 'What was the name of your first pet?'), and 'Answer' (containing 'Dog'). To the right of each field is a button: 'Update Password', 'Update Security Question', and 'Update Password' (likely a typo for 'Update Answer').

Click **Update Security Question**.

A pop-up window opens.

The screenshot shows a pop-up window titled 'Update Security Question'. It contains a dropdown menu for 'Question' with the selected option 'What was the name of your first pet?' and a text input field for 'Answer' with the value 'Dog'. At the bottom right, there are two buttons: 'No' and 'Save'.

<b>Question</b>	Select a question to which you will provide an answer. This question will be asked in the event that you lose your password.
<b>Answer</b>	Type the answer to the question.  You will be required to answer the question correctly in order to recover your password. Be sure to select a question for which you will easily remember your answer.  <b>IMPORTANT:</b> The answer is case-sensitive (i.e., you must always type it exactly as it is entered here, including uppercase and lowercase letters).

Click **Save**.

<b>Course</b>	Select a specific course, or click <b>All</b> to view assignments in all courses.
<b>Semester</b>	Select a specific semester, or click <b>All</b> to view assignments for all semesters.
<b>Cycle</b>	Select a specific cycle, or click <b>All</b> to view assignments for all cycles.
<b>Grade</b>	Select which assignments to view:  <b>All</b> - View all assignments. <b>Only Graded</b> - View only assignments that have been graded. <b>Only Pending</b> - View only assignments that have been assigned but not yet graded. <b>Only Dropped</b> - View only assignments that the instructor has dropped (i.e., not included in cycle average). <b>Only Excluded</b> - View only assignments that the instructor has excluded (i.e., not included in cycle average). <b>Only Missing</b> - View only assignments that the instructor has marked as missing for the student. <b>Only Incomplete</b> - View only assignments that the instructor has marked as incomplete for the student. <b>Only Failing</b> - View only assignments that the student has a failing grade for. <b>Only Late</b> - View only assignments that the instructor has marked as turned in late. <b>Only Redo's</b> - View only assignments that the instructor has allowed the student to redo.
<b>Category</b>	The categories depend on how the instructor has set up the course. Select a specific category, or click <b>All</b> to view assignments in all categories.

As you select filters, the assignments are displayed according to your selections.

**MOBILE DEVICE USERS:** Your student's assignments are listed *below* the filters. You may need to scroll down to view data.

**TIP:** Click a column heading to sort the assignments by that heading in ascending order. Click the column heading again to sort in descending order.

- If an assignment grade has been dropped, the message “dropped” is displayed *next to* the grade.
- If an assignment grade has been excluded, the message “excluded” is displayed *in place of* the grade.
- If an assignment is missing, the message “missing” is displayed *in place of* the grade.

- If an assignment is incomplete, the message “incomplete” is displayed *in place of* the grade.
- If the student is withdrawn from the course, the message “(withdrawn)” is displayed *next to* the course title.

**STANDARDS-BASED GRADING:** If the course uses the standards-based type of grading, assignments are associated with specific standards. For these courses, the **Standard Scores** heading is displayed in the table. For each assignment, all associated standards and grades are displayed. Note that assignments may have multiple standards. Also, an assignment may be associated with more than one standard, so you may see the same standard for multiple assignments. The grade for the course is calculated from the scores for the standards, not the assignments.

Some districts use the name **SKILLS-REFERENCED GRADING** to refer to this grading type.

## ASCENDER Parent Portal > Discipline

The Discipline page displays your student's discipline records for the semester. You can also view records for a particular date.

**This is not available at all districts.**

If court-ordered restriction exists for a particular discipline incident, that data is restricted.

By default, all of the student's discipline records for the semester are displayed.

<b>Filter by</b>	To view discipline records for a particular date, type the date...
<b>Date</b>	The date and time of the discipline incident are displayed.
<b>Infraction</b>	The specific violation is displayed.
<b>Disciplinary Action</b>	A description of the action taken by campus officials in response to the discipline incident is displayed.
<b>Reported by</b>	The name of the staff member who reported the incident is displayed.
<b>Administrator</b>	The name of the campus administrator who is handling the incident and taking action is displayed.

Additional comments about the discipline incident may be displayed in italic font below the fields, if entered by campus administrators.

## Set Up and View Alerts

### I. What are alerts?

Alerts are messages notifying you if the student has any grades or attendance information you should be aware of, such as an absence, tardy, or low grade.

- **View Alerts** - View alert messages that have been generated according to your alert subscription.
- **Set Alerts** - Change your alerts subscription at any time so that you only receive the alert messages you want to see.

By default, you are automatically subscribed to two alerts:

- Unexcused absence alerts, first occurrence of the day
- Failing grade alerts

You can change your alerts subscription at any time.

**NOTE:** To set up and receive alerts:

- Your email address must be verified on the [My Account](#) page.
- The same email address must be entered in your student's contact information record at the campus.
- You must set up alerts in ASCENDER ParentPortal.

If any of your students have alerts, the number of alerts is displayed next to the alert icon  in the top-right corner of every page in ParentPortal.

On any page in ParentPortal, click the alert icon  in the top-right corner. You can see the two most recent alerts for the student. To view all alerts, you must go to the Alerts page.

## II. View alerts.

# ASCENDER Parent Portal > Alerts

View Alerts is the default view.

The number of new, unread alerts is displayed in a red circle.

The complete alert message is displayed under **Description**.

If the student has more than one alert, the alerts are displayed in the order received, with the most recent alert at the top of the list.

### Tips:

- New, unread alerts are bold.
- Once you have read an alert, you can select **Read**. The alert will be no longer be bold.
- Clear the **Read** check box to change the alert back to unread.
- You can adjust the page to show or hide any alerts you have already read:
  - To see only new, unread alerts, set **View Read Alerts** to **No**.
  - To see all alerts, set **View Read Alerts** to **Yes**.

## III. Set up attendance and/or grade alerts.

# ASCENDER Parent Portal > Alerts

Click or tap **Set Alerts**.

Alert preferences must be set for each student on your account.

There are three categories of alerts: attendance, class average, and assignment grades.

## Attendance Alerts

Attendance alerts allow you to be notified if your student is marked late or absent.

The screenshot shows a form titled "Attendance Alerts". At the top, there is a grey box with the text "Allow up to one hour for changes to take effect." Below this, there are three rows of configuration options:

- Unexcused Absences:** A dropdown menu currently set to "All occurrences".
- Excused Absences:** A dropdown menu currently set to "All occurrences".
- Tardies:** A dropdown menu currently set to "All occurrences".

For each type of absence (Excused, Unexcused, and Tardy), indicate when you want to be notified:

**No alert** - Select if you do not want to be notified of your student's absences.

**First occurrence only** - Select if you only want to be notified of an absence for the first period the student is absent.

**All occurrences** - Select if you want to be notified of all absences for all periods of the day.

## Class Average Alerts

Class Average alerts allow you to be notified if the student's grade average in a class falls below a specified grade. By default, you will receive an alert any time the student's grade average in a class falls below failing. You can change the alert by specifying another grade.

The screenshot shows a form titled "Class Average Alerts". At the top, there is a grey box with the text "An alert will be sent each time the student's average in any class falls below the threshold." Below this, there are two main controls:

- Set Class Average Threshold:** A toggle switch currently set to "Yes".
- Class Average Threshold:** A text input field containing the value "70", with a "Save" button to its right.

<b>Set Custom Average Threshold?</b>	<b>Yes</b> - Change the grade average that triggers an alert. <b>No</b> - Leave the setting as it is ( <b>Current Selection</b> ).
<b>Custom Average Threshold</b>	If you selected <b>Yes</b> , type a numeric grade (0-110). Any time your student's average falls below this grade, you will receive an alert.

## Assignment Grade Alerts

Assignment Grade alerts allow you to be notified if the student receives an assignment grade below a specified grade in any class. By default, you will receive an alert any time the student receives a failing assignment grade in any class. You can change the alert by specifying another grade.

**Assignment Grade Alerts**

An alert will be sent each time the student receives an assignment grade that falls below the threshold.

Set Assignment Grade Threshold:  **Yes**

Assignment Grade Threshold:

---

Incomplete Assignments:  **Yes**

Missing Assignments:  **Yes**

<b>Set Custom Assignment Threshold</b>	<b>Yes</b> - Change the assignment grade that triggers an alert. <b>No</b> - Leave the setting as it is ( <b>Current Selection</b> ).
<b>Custom Assignment Grade Threshold</b>	If you selected <b>Yes</b> , type a numeric grade (0-110). Any time your student receives an assignment grade below this grade in any class, you will receive an alert.
<b>Incomplete Assignments</b>	<b>Yes</b> - Receive an alert when the student's assignment is marked as incomplete. <b>No</b> - Do not receive an alert for incomplete assignments.
<b>Missing Assignments</b>	<b>Yes</b> - Receive an alert when the student's assignment is marked as missing. <b>No</b> - Do not receive an alert for missing assignments.
